

CRESTMONT

**Homeowners'
Association**

FIRE PIT USE REGULATIONS

A community fire pit has been installed on the Crestmont Hall property next to the spray park and tot lot for the enjoyment of Crestmont Homeowners' Association members, in good standing, and their guests.

The fire pit has a locking cover to prevent unsupervised use. Upon signing a Waiver Release For and depositing \$20.00 with the Facility Manager, a member will be provided with a fire pit key. The deposit is returnable after satisfactory cleanup of the fire pit area and return of key.

Those using the fire pit are required to clean-up the pit and surrounding area after each use so that no debris is left. This is your community park and children play in the area. In cases where residents, visitors, guests or renters fail to clean-up after themselves, the sponsoring homeowner(s) are responsible for that clean-up. You are responsible for any fire, smoke or odors crested from open burning and for any damages that may result from your fire.

General Guidelines for Use:

- Use of the fire pit is restricted to Crestmont Homeowners' Association members only and must comply with City of Calgary Bylaws 5M2004 at all times - <https://www.calgary.ca/csps/fire/safety-tips/in-your-home/fire-pit-safety.html>
- A deposit of \$20 is left with the Facility Manager
- Activities at the fire pit are supervised by an adult
- Activities are in keeping with a family friendly oriented space
- Users are required to bring their own fire wood, or can buy wood at the hall for \$5.00 a bundle
- Only clean dry fire wood may be burned; no treated or painted lumber, lumber containing glue or resin, wet or unseasoned wood, yard waste, garbage, rubber or plastic
- Fire must be contained in the receptacle and flames may not exceed one metre in height as per City of Calgary Bylaw
- Please bring a means of fire extinguishing the fire with you
- Fire pits may not be used between 1:00am and 8:00am as per City of Calgary Bylaw
- After use, the fire must be completely extinguished, the grate locked, the area cleaned of debris and the key returned within 24 hours of pick up

Failure to comply with the above requirements will result in forfeit of deposit.

A key for the grate can be obtained by contacting the Crestmont Hall Facility Manager at facilitymanager@crestmonthall.com or 403-475-7320.
