CHOA Fire Pit Use Regulations

A community fire pit has been installed on CHOA property next to the Spray Park. It is for the enjoyment of CHOA members (in good standing) and their guests.

Those using the CHOA fire pit are required to fill out, sign and return the Fire Pit Waiver prior to using the amenity.

Users are also required to clean up the fire pit and surrounding area after each use so that no debris or waste of any kind remains. In cases where residents, visitors, guests, or renters fail to clean up after themselves, the sponsoring homeowners are responsible for that clean-up. You are responsible for any fire, smoke, or odours created from open burning, and for any damage that may result from your fire.

Use of the fire pit amenity will be prohibited at times when municipal fire bans are in place.

General Guidelines for Use:
