

FACETIME OFFLINE!

A playful portrait night

F O R P A R T N E R S - I N - C R I M E

It's a date-night! This is a portrait workshop for couples, partners-in-crime, best-buddies, kindred spirits, sisters from another mister, brothers from another mother. You get the idea. After learning a few simple foundational principles, you'll join your buddy to paint creative portraits of each other.

**No artistic experience required, only your curiosity, energy and an open mind...
Because this is not about making "good" art, it's about playing and creating!**

This workshop is designed especially for:

- People who say "I can't draw" or "I'm not creative"
- Beginners curious about painting faces
- Anyone craving a screen-free, creative outlet
- No drawing skills required.
- No pressure, no judgment, no perfectionism.

You'll leave with

- A never-before-made portrait of yourself
- Newfound skill painting faces
- A great night to remember

What we'll do together

In a fun & welcoming environment, upbeat & vibrant music filling the room, you'll:

- Learn basic principles you can apply to draw faces
- Experiment with drawing tools and paint
- Spend the evening painting your very own masterpiece, of your very favourite partner!
